

# DRAFTER

GBD Architects Incorporated (GBD) is a 53-year-old, employee-owned corporation seeking applicants for a Drafter to join our team. We are comprised of 86 staff who view architecture design, urban planning, and interior design as a collaborative, inter-disciplinary endeavor. The culture at GBD is warm, open, collegial, highly professional and down to earth. We have a strong work ethic as well as an obvious passion for creating beautiful, responsible spaces that move and elevate people.

The position of Drafter is a role that supports the production efforts of GBD's design and technical staff. The primary responsibility is to support specific architectural and interior design project team needs with a variety of scales, project types and help streamline GBD's workflow.

Please see GBD's website for more information about the firm: <http://www.gbdarchitects.com>
